We Need JUDGES

The ExxonMobil Texas Science & Engineering Fair (EMTSEF), presented by UTSA, provides an exciting venue for aspiring young scientists and engineers. UTSA is seeking judges for its 9th year with the EMTSEF.

Presented By

ExxonMobil Texas Science & Engineering Fair
Thursday, March 28th at
Henry B. Gonzalez Convention Center

Judge Qualifications

• Criteria for Senior Division Judges: Master Degree or higher or at least 5 years experience in science and/or engineering field.

• Criteria for Junior Division Judges: Bachelor Degree or higher or at least 3 years experience in science and/or engineering field or 4 years work experience in a physical or life science field in lieu of a degree. (Honor Society Undergraduates with at least 3 years experience in science and/or engineering.)

• Note: Teachers and qualified parents/guardians/chaperones wishing to judge will be accepted as volunteer judges on a case-by-case basis. Call 210-458-6733 if you are interested and fall into this category as we need to screen regarding conflict of interest.
